McEwan & Associates was founded with the purpose of offering comprehensive and reliable solutions through an innovative service in the taxation and business markets.

The firm is committed to providing sophisticated tax and legal counsel to high-net-worth families, domestic companies, multinational corporations, trust companies and investment funds.

To meet the diverse range of their client needs, McEwan's widely experienced lawyers and accountants work together in interdisciplinary teams.

This innovative, team based approach enables McEwan's professionals to maximize their expertise to provide reliable and value-added solutions, customized to the unique needs of each client or business, in local and international markets.
