Sb Accounting & Consulting was established in 1989 and during its existence the firm has been always trying to achieve beyond clients' expectations. Thankfully to the unique approach which we apply, Sb Accounting & Consulting has grown up into one of the leading independent professional firms in Bulgaria. Located in the most attractive for tax optimization Member State of the European Union, we are in a position to operate with clients not only in Bulgaria but also to serve foreign businesses all over the world.

Our experienced and highly qualified team consists of Certified Public Accountants (CPA's), Chief Accountants, Payroll Specialists, Legal Advisers, Taxation and Financial Consultants. We are dedicated to providing quality professional services which lead to excellent results for the business people who have relied on our expertise. The combination of industry specialists allows us to operate as one firm with all of our resources available to each of our clients.

In order to improve the service presentation, Sb Accounting & Consulting moreover relies on international business communities and partnerships with leading professional alliances, networks and associations.

**OUR VISION:** Placing high standards of work to accelerate the level of servicing the clients.

**OUR MISSION:** Constantly to improve our professionalism and contributions, and to exceed the benefits for our clients and partners.

**OUR OBJECTIVES:** Provision of in-depth, comprehensive and practical solutions that help our partners to achieve competitive advantage.
