Doxsee & Shimizu is a full service firm of licensed Chartered Accountants located near Toronto, Canada. Our clients are individuals and privately owned businesses both inside and outside of Canada.

We offer personal and corporation income tax preparation and planning, accounting services including preparation of financial statements, business and personal financial planning, integrated wealth management services and business and personal advisory services. We are a boutique style firm that puts client service as our highest priority.

As licensed public accountants in both Canada and the United States we offer seamless cross border tax and accounting expertise.
