The personal based company specializes in tax consultancy related to international tax laws. As tax and legal advisor we work with International Companies moving employees to and from Denmark.

As part of the inpatriation package we advise about

- Salary package, net/gross salary calculations
- Tax and social security cost
- Benefit, options, pension, etc.
- Car issues (can I take my car to Denmark?)
- Housing issues (should I buy or rent a house in Denmark?)

As part of the expatriation package we advise about

- Net/gross salary calculations
- Tax and social security cost
- Closing issues (should I sell my house or rent it out?)

Other areas of expertise include tax and VAT consultancy for small private companies including their annual tax return.

Marianne was active in the foundation of the AITC and was the first president of the association.
