Contact: Waleed S. Hilal

We are professional group of Accountants, Tax & Legal Consultants. During the past two decades we have acquired wide-range of experiences through serving significant number of multi-national and national companies. Our professionals are licensed Accountants and Lawyers, qualified and Members of reputable National and International Professional Bodies as well as bilingual Arabic and English speakers.

Our Services:

✓ Tax:

Our tax services focus on both:

- Tax Compliance (including all best tax practices regarding day-to-day services with the Tax Authorities)
- Tax Planning, which focuses on providing tax solutions that help the clients in optimizing their tax positions and cost.

✓ Legal:

Legal Services include the best practices in the following Areas:

- Companies' Formation
- Labor Law
- Commercial Law
- Civil Law

✓ Assurance and Advisory Services:

Financial Services includes:

- Book-keeping and Financial Accounting & Reporting
- Statutory Audits
- Restructuring, Business Valuation, Merger & Acquisitions
