Established in 1979, Accounting Services Tilimatic has over 30 years of experience serving clients just like you with our extensive know-how of Finnish and international accounting (IFRS and US/UK GAAP) and group accounting. The leading partner for foreign subsidiaries operating in Finland, we are located in the heart of Helsinki close to all banks, audit and lawyer firms. We have conference facilities for our clients and a staff of approx. 30 people to serve you in three languages (Finnish, Swedish and English).

Our range of services includes:

- accounting
- payroll
- annual closing of the books
- tax return
- tax representation
- ledgers
- invoicing
- consultation
- reporting,
- payment service
- etc.

Accounting Services Tilimatic is also an Authorized Accounting Firm i.e. we are a member of the Association of Finnish Accounting Firms, which acts as an umbrella organization for Finnish accounting firms. It offers membership only to companies who fulfill strict membership requirements and meet high professional standards.
