Sharon Hanam & Co. is an Israeli law firm focusing on real estate transactions and real estate taxation, inheritance law, international law, banking law, corporate law, labor law as well as litigation in all these areas. The firm, established in 2001, is located in America - Israel House in the business district of Ramat-Gan.

Over the years, we have gained significant experience in representation of foreign corporate and private clients. We often provide legal opinions to our colleagues around the world and to legal departments of international bodies, regarding the Israeli law and international matters.

Sharon Hanam & Co. is committed to providing high-standard services to its clients. We treat our clients' matters as if they were our own, exercising the highest degree of judgment, integrity and discretion. The clients' interests are paramount and each client is regularly consulted at every stage of the legal process.
