Protax is a leading professional services tax accounting and consulting firm specializing in the delivery of world class U.S. (United States) international individual tax accounting, consulting and compliance services to U.S. Expatriates (U.S. citizens and U.S. green card holders living and working outside the US), Foreign Nationals (Non US citizens or non US green card holders living and working here in the US) and High Net-Worth Individuals.

We work with employees- as a one-off and employers- in sponsored programs managing their expatriate and foreign national employee populations and guiding them in Expatriate Tax Policy consulting and Expatriate Tax Equalization / Protection Policy consulting.
In addition to small and medium size business management services.

Our Principal **Marc J. Strohl** is a Certified Public Accountant (CPA). He is a member of the American Institute of Certified Public Accountants (AICPA), and New York State Society of Certified Public Accountants (NYSSCPA). Marc is a member of the NYSSCPA: 1) International Taxation Committee and 2) Taxation of Individuals Committee and is a regular contributor to legislative changes at the CPA professional regulatory level. He is a regularly featured and a quoted contributor to their publications, including the bi-weekly newspaper **The Trusted Professional** and their **NYSSCPA.com Online Blog**.

Additionally **Marc J. Strohl, CPA** is sought out and featured internationally in industry publications worldwide including the critically acclaimed **Thomson Reuters'** twice-monthly newsletter publication **Practical International Tax Strategies** and **Thomson Reuters' Checkpoint database**.

In addition **Marc** wrote Protax's concise and informative executive summary tax articles regarding US Expatriate and Foreign National-Nonresident Alien tax, that are world renown and considered industry benchmark authoritative articles.

Marc has worked for Deloitte & Touche LLP, PricewaterhouseCoopers LLP and Ernst & Young. Marc earned a **Master's degree in Public Accountancy** from **McGill University** and a **Bachelor of Science Honoring in Chemistry** from **Concordia University**, both located in Montreal, Canada.
